Catholic Charities is the largest provider of women's emergency shelter services in Northern Colorado. Through compassionate support and human-centered care, our Women's Emergency Services team assists women in crisis in several Denver metro area shelters. We provide safe shelter, nutritious meals and trauma-informed case management services. We work with each participant's unique situation to help them set and achieve their long-term goals and work toward greater independence. At Catholic Charities, our aim is to be more than just a service provider. We strive to be a place where hope is found.
